

SAMPLE OF INTEREST FOR APPLICATION FOR PFIS CONTRACTS (ISCI) IN IRBLleida 2022

Lleida Biomedical Research Institute is recruiting a:

- Pre-doctoral researcher -

The Institute

IRBLleida acts as a cluster of all biomedical research carried out in Lleida and belongs to two players that conduct health research and implement innovation policies:

- The University of Lleida (UDL) includes researchers from the Faculties of Medicine, Nursing and Physiotherapy.
- The Department of Health, includes researchers from the Arnau de Vilanova University Hospital (HUAV), Santa Maria University Hospital (HUSM), the Catalan Health Institute (ICS) and the Lleida Primary Care and Community.

The IRBLleida is a CERCA centre, a member of the biocluster supported and supervised by the Autonomous Government of Catalonia and it is also accredited as a Centre of Excellence by the Carlos III Health Institute (funded by Spanish Government). In addition, it interacts in the region with the Institute for Innovation and Research in Sustainability (Inspires), the Technological Centre of Catalonia (EURECAT), the Scientific and Technological Agri-Food Park of Lleida and with Agrotecnio, the Centre for Research in Agriculture, Animal Production And Food Technology of the ETSEA campus of the University of Lleida.

In December 2014, the Lleida Biomedical Research Institute's received the '[HR Excellence in Research](#)' logo from the European Commission. This is a recognition of the Institute's commitment to developing an HR Strategy for Researchers, designed to bring the practices and procedures in line with the principles of the [European Charter for Researchers](#) and the [Code of Conduct](#) for the Recruitment of Researchers (Charter and Code).

Please, [check out our Recruitment Policy](#)

Professional profile of the candidate:

- Pre-doctoral researcher

Requirements and characteristics to be met:

- Hold a bachelor's degree or university graduate and a master's degree in biomedicine, biotechnology or equivalent.

Incompatibility regime:

- Have started their pre-doctoral training with funding from other grants for pre-doctoral training through the development of a doctoral thesis that has been awarded within the framework of the "Plan Estatal de Investigación Científica y Técnica y de Innovación 2017-2020" or any of the previous State Plans.
- Hold a doctoral degree from any Spanish or foreign university.
- To have enjoyed, prior to the submission of the application, a pre-doctoral contract for a period of more than twelve months.

Would be an asset:

- Excellent academic record.
- Curricular merits (publications, conferences and other merits).
- Previous experience in oncological research.
- Previous experience in multi-omics bioinformatics analysis.
- Publications in journals/congresses.
- Ability to communicate in English.

The Offer – Working Conditions

The IRBLleida is interested in supporting the candidacy of ONE talented researcher to the PFIS programme of the Instituto Nacional de Salud Carlos III (ISCIII) within the framework of the Acció Estratègica en Salut 2022 (AES2022).

We encourage those who meet the necessary requirements to submit their applications. All applications will be evaluated by the members of the GReBiC group promoting this recruitment according to the criteria described in the aspects to be assessed.

The best evaluated application will be selected to apply for a PFIS contract with the IRBLleida.

If funded by the ISCIII, the contract will be in accordance with the terms and conditions of the call.

The selected person, in case of receiving the grant, will join the research group "Cancer Biomarkers Research Group [GReBiC]" and will develop the doctoral thesis in the framework of the project "Biomarkers of Response to Immunotherapy by Exhaustive Immunophenotyping of Gastric Adenocarcinoma". The specific tasks to be carried out are related to the bioinformatic analysis of multi-omics data, as well as the preclinical validation of the results in in vitro/vivo models of cancer.

We provide a highly stimulating environment with state-of-the-art infrastructures. To check out our training and development portfolio, please visit our website in the [training section](#).

We offer and promote a diverse and inclusive environment and welcomes applicants regardless of age, disability, gender, nationality, race, religion or sexual orientation.

The IRBLleida is committed to reconcile a work and family life of its employees and are offering the possibility to benefit from flexible working hours.

Documents and application deadline:

All applications must include:

- A motivation letter
- A complete CV including contact details

Deadline: Please submit your application by 31th January 2022. Latest time for the submission of applications: 14:00 h - Europe/Brussels

Those interested can apply to the 041-21 job offer by filling out the form available at <https://www.irblleida.org/ca/job-application/> and attaching a CV and a cover letter.

The contract will be in accordance with the provisions of article 15 of Royal Legislative Decree 1/1995, of 24 March, approving the text of the Workers' Statute Act, in accordance with the provisions of article 2 of Royal Decree 2720/98, of 18 December (B.O.E. of 8 January 1999), Law 12/2001, of 9 July (B.O.E. of 10 July) and concordant provisions.

The principle of equality between men and women is taken into account, in accordance with **Organic Law 3/2007, of 22 March**, for the effective equality of women and men.

The principle to equal opportunities and treatment, as well as the real and effective exercise of rights by people with disabilities on equal terms with other citizens, through the promotion of personal autonomy, universal accessibility, access to employment, inclusion in the community and independent living and the eradication of any form of discrimination, in accordance with **articles 9.2, 10, 14 and 49 of the Spanish Constitution** and the International Convention on the Rights of Persons with Disabilities and the international treaties and agreements ratified by Spain, in accordance with the provisions of **Royal Legislative Decree 1/2013, of 29 November**.

Informative clause for the processing of personal data
