

JOB OFFER

Lleida Biomedical Research Institute is recruiting a:

- Pre-award junior administrative technician -

The Institute

The Biomedical Research Institute of Lleida Fundació Dr. Pifarré (IRBLleida) was established with the aim of creating synergies between basic, clinical and epidemiological research, making biomedical research a key driver to improve current clinical practice. IRBLleida covers a chain of translational research, from basic research, aimed at understanding the physiological and pathological mechanisms of the human body, to research that studies the behavior of diseases in large population groups.

The Biomedical Research Institute of Lleida ([IRBLleida](#)) was founded in 2004 through a cooperation agreement between the University of Lleida (UdL) and the Catalan Healthcare system. IRBLleida integrates research groups of the faculties of Medicine and Nursing and Physiotherapy of the UdL. On the other hand, we incorporate research groups from:

1. The Catalan Health Institute ([ICS](#)) both at the hospital level (Arnau de Vilanova University Hospital - [HUAV](#)) and the primary healthcare of [Lleida](#) and the [Alt Pirineu-Aran Health Region](#),
2. The healthcare provider [Gestió de Serveis Sanitaris \(GSS; Santa María University Hospital - HUSM, Pallars Regional Hospital](#) and [Mental Health](#), among others).

IRBLleida has been a CERCA institute since 2013, and as such is organized according to a model of good governance and operation that ensures efficiency, management flexibility, talent recruitment and promotion, strategic planning and executive capacity. It is also one of the 34 Spanish Health Research Institute ([IIS](#)) recognized by the [Carlos III Health Institute](#) and the Government of the Generalitat, as established by Law 16/2003, of 28 May, on the cohesion and quality of the national health system.

In December 2014, the Lleida Biomedical Research Institute's received the '[HR Excellence in Research](#)' logo from the European Commission. This is a recognition of the Institute's commitment to developing an HR Strategy for Researchers, designed to bring the practices and procedures in line with the principles of the [European Charter for Researchers](#) and the [Code of Conduct](#) for the Recruitment of Researchers (Charter

and Code).

Please, [check out our Recruitment Policy](#)

Professional profile of the person hired:

- Pre-award junior administrative technician

Requirements (excluding applications that do not complete this section):

- Degree, diploma or bachelor's degree studies related to the area he/she occupies.

These requirements must be met at the beginning of participation in the program.

Context and tasks to be developed:

The successful candidate will perform the following tasks for the Projects Department / R&D&I Management of the Management Office:

- Consult and assign the scientific production of all research groups (publications, clinical practice guidelines, theses,...), registering it to the Fundanet Management system, with the aim of keeping the Management system updated, boosting the web visibility of publications, and facilitating the extraction of scientific production indicators.
- Calculate the scientific production indicators from Fundanet for subsequent review by Management, reporting these indicators to the entities when requested (ICS, Generalitat, ISCIII, ITEMAS, REGIC, ...), in order to keep the scientific production data up to date.
- To prepare the annual scientific report, specifically the parts of scientific production and the part of project awards with the aim of facilitating the visibility of scientific production and communicating it both internally and externally.
- To extract publications from Fundanet, transferring them to the Catalan Research Portal (PRC) in order to facilitate the external visibility of IRBLleida's scientific production.
- Collaborate with researchers, encouraging and supporting the application for new research projects or human resources grants, from the dissemination of calls for applications, the presentation of pre-applications to Management and the Internal Scientific Assessment Committee (CIAC) for approval, assisting researchers in the presentation of applications in the corresponding applications and saving all the information for subsequent management, with the aim of achieving the highest possible number of applications, according to the budget.

- Collaborate with researchers, assisting them in the drafting of research projects so that the applications submitted communicate the hypothesis, objectives and methodology of the project in a clear and concise manner and that it is oriented to the objective of the call, following the defined standards, in order to increase the number of national and, especially, international annual project awards.
- To monitor research project resolutions, assisting researchers in the case of refusal or award of the project, facilitating the presentation of allegations if deemed appropriate, and transferring the management of the awarded project to the Department of post-award projects, with the aim of maintaining the monitoring of the projects presented, transferring them to management once awarded.
- Registering the researchers assigned to the IRBLleida to Fundanet in order to extract lists of the total number of researchers, providing indicators to those who request them.
- To collaborate in those administrative tasks that are entrusted to him/her by his/her supervisor, management or directorate, with the aim of contributing to the achievement of the objectives of his/her area or department of the IRBLleida.
- Participate in the Committees and Commissions that the place requires, with the purpose of assuring the achievement of the objectives of IRBLleida, complying with the legislation in force according to the matter in which it participates.

Desirable but not required/ Nice to have

- Knowledge in application, processing and global management of projects in the public or private, national and international environment.
- Knowledge of national and international public funding instruments.
- Knowledge of the processing of scientific publications.
- Database processing.
- Catalan and Spanish equivalent to level C2. English equivalent to B2 level.

- Database processing 20 points

c) Competence test or interview 20 points

Any application that does not obtain a score of more than 50 points will not be considered.

Information clause on the processing of personal data

Responsible party: Institut de Recerca Biomèdica de Lleida Fundació Dr. Pifarré (IRBLleida).

Purpose: Management of job offers.

Legitimation: The legal basis of the processing is the carrying out of a selection process to fill a job vacancy.

Addressees: The data will not be transferred to third parties, except in the legal obligations established by law.

Rights: Access, rectification and deletion of data, as well as other rights, as explained in the additional information.

Additional information: You can consult additional and detailed information on Data Protection on our website <http://www.irblleida.org/en/legal-notice/>.

The data provided by applicants will be incorporated into the processing system owned by IRBLleida in order to manage and resolve the selection process, and will be processed in a lawful, fair, transparent, adequate, relevant, limited, accurate and up-to-date manner, in compliance with the provisions of Regulation (EU) 2016/679 of the European Parliament and Organic Law 3/2018, of 5 December (LOPDGDD). The legal basis for the processing of data is the fulfilment of a legal obligation on the part of the controller reinforced with the consent of the data subject.

This data must be kept for the period of time strictly necessary to fulfil the aforementioned purpose, respecting in all cases the period determined by these rules and regulations governing the call for applications and the applicable archiving regulations.

The IRBLleida must communicate the data of the beneficiaries of the contracts to the Agency for the Management of University and Research Grants so that it can exercise its powers of management control as an entity attached to this Department.

Certain data may also be communicated to third parties in the public or private sphere, either because the intervention of these entities in the course of the aid management process may be necessary because it is correctly resolved, or because it is provided for in a regulation with the status of law.

As long as the interested party does not communicate otherwise, it will be understood that their details have not been modified and that they undertake to notify the IRBLleida of any variation.

Applicants and contracted persons may exercise their rights of access, rectification, limitation of processing, suppression, opposition to the processing of their data or exercise their right to portability by writing to IRBLleida (Avda. Rovira Roure, 80, 25198 Lleida), to the e-mail address protecciodedades@irbllleida.cat or to the IRBLleida's Data Protection Delegate, dpd@ticsalutsocial.cat. You must attach a photocopy of your ID card or sign the e-mail with a recognised electronic signature. In the event of disagreement with the processing, you also have the right to lodge a complaint with the Catalan Data Protection Authority.
