

JOB OFFER

Lleida Biomedical Research Institute is recruiting a:

- Research technician-

The Institute

The IRBLleida aims to promote, develop, transfer, manage and disseminate research excellence, scientific and technological knowledge, teaching and training in the field of life sciences and health. To this end, it promotes relations and the exchange of knowledge between the research staff and research groups belonging to the various centres and entities in the biomedical field, which operate mainly in the Lleida area; it promotes collaboration with other institutions and entities, prioritising the implementation of joint projects; it raises funds to finance research activities of excellence of interest to the aforementioned centres and devices; and it manages the research resources entrusted to it by the various institutions and entities that form part of it. Within the territorial environment, it collaborates closely with:

- The <u>University of Lleida</u> (UdL) includes researchers from the Faculties of Medicine and Nursing and Physiotherapy.
- The Catalan <u>Healthcare system</u> includes healthcare staff from:
 - o <u>Catalan Health Institute (ICS)</u>: <u>Arnau de Vilanova University Hospital (HUAV)</u>, <u>the Lleida Primary Care and Community and Primary Care in the Alt Pirineu-Aran Health Region</u>
 - o <u>Gestió de Serveis Sanitaris</u> (GSS): <u>Santa María University Hospital</u> (HUSM), <u>Pallars Regional Hospital</u> and <u>Mental Health</u>, among others.

The IRBLIeida is a <u>CERCA</u> institute with its own legal status: Fundació Institució dels Centres de Recerca de Catalunya (I-CERCA) de Catalunya, which is organised according to a model of good governance and operation that ensures efficiency, management flexibility, recruitment and promotion of talent, strategic planning and executive capacity. It is also a Health Research Institute (IIS) accredited by the <u>Carlos III Health Institute</u> and the Government of the Generalitat, as established by Law 16/2003, of 28 May, on the cohesion and quality of the national health system.

In December 2014, the Lleida Biomedical Research Institute's received the 'HR Excellence in Research' logo from the European Commission. This is a recognition of the Institute's commitment to developing an HR Strategy for Researchers, designed to bring the practices and procedures in line with the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (Charter and Code).

Please, check out our Recruitment Policy

Professional profile:

Research technician

Must Have

Degree in Biotechnology, Biomedicine or similar.

Main duties/responsibilities

The person hired will carry out the following tasks for the project "PV10208 -Editing of TERT promoter mutations with CRISPR/*Cas9 technology for the treatment of Hepatocellular carcinoma", funded with a TTD grant for Research Projects in Digestive Tumours 2021. The planned duration of the project is until 31 December 2022.

The project will be carried out within the framework of the research line "Digestive tumours: colorectal cancer, gastric cancer and hepatocellular carcinoma" of the biomarkers in cancer research group (GReBiC) at IRBLleida.

- Cell biology techniques: MTT, immunofluorescence, proliferation, migration, invasion and apoptosis assays.
- Molecular biology techniques: DNA/RNA extraction, qRT-PCR, Western Blot, nucleofection, lentiviral and lipofectamine transfection, CRISPR guide design, cloning.
- Bioinformatics analysis of genomic data.

Desirable but not required/ Nice to have

- Previous experience in a translational cancer research laboratory.
- Master laboratory techniques such as Western Blot, qRT-PCR, cell culture, proliferation assays, etc.
- Mastering genomic data analysis using bioinformatics techniques.
- Acceptable level C1 of English.
- Hold a master's degree in the field of biomedicine.
- Research stays in international laboratories.

- High motivation for professional development in the field of research.

The Offer - Working Conditions

- Type of contract: Indefinite-term contract for scientific and technical activities.
- Planned start contract: 1 July 2022
- Working hours: Full time, 37.5 hours per week.
- Remuneration: 27,594 euros gross per year / per year IF including employer's social security contributions.

We provide a highly stimulating environment with state-of-the-art infrastructures. To check out our training and development portfolio, please visit our website in the <u>training section</u>.

We offer and promote a diverse and inclusive environment and welcomes applicants regardless of age, disability, gender, nationality, race, religion or sexual orientation.

The IRBLleida is committed to reconcile a work and family life of its employees and are offering the possibility to benefit from flexible working hours.

Documents and application deadline:

All applications must include:

- A motivation letter
- A complete CV including contact details and National Identity Document number

Deadline: Please submit your application by June 10, 2022. Latest time for the submission of applications: 14:00 h - Europe/Brussels

Those interested can apply to the 018-22 offer by filling out the form available at https://www.irblleida.org/ca/job-application/ and attaching a CV and a cover letter.

Selection process schedule for reference 018-22								
15 days	Publication and dissemination of the job offer: IRBLleida website, social networks, other employment websites according to the features of the job offered							
Next 2 working days	Transfer of the CVs to the Selection Committee							
Next 5 working days	Meeting of the Selection Committee: - Interview of the pre-selected candidates - Evaluation of the candidates and meeting minutes certifying the candidate awarded with the position - Communication of the selected candidate to HR							
Next 5 working days	Completion of the paperwork required to formalize the employment contract							
July 2022	Approximate contract starting date							

Express selection process

When an employee must be replaced urgently, for instance, to cover a sick leave, scientific reasons justifying the incorporation on a specific day, specification in a resolution, etc., an express selection process could be undertaken.

This selection process will follow the same procedure as the ordinary one, but the duration of several steps will be reduced, *i.e.* publication of the job offer, submission of applications, evaluation and selection process.

The contract will be in accordance with the provisions of article 15 of Royal Legislative Decree 1/1995, of 24 March, approving the text of the Workers' Statute Act, in accordance with the provisions of article 2 of Royal Decree 2720/98, of 18 December (B.O.E. of 8 January 1999), Law 12/2001, of 9 July (B.O.E. of 10 July) and concordant provisions.

The principle of equality between men and women is taken into account, in accordance with **Organic Law 3/2007, of 22 March**, for the effective equality of women and men.

The principle to equal opportunities and treatment, as well as the real and effective exercise of rights by people with disabilities on equal terms with other citizens, through the promotion of personal autonomy, universal accessibility, access to employment, inclusion in the community and independent living and the eradication of any form of discrimination, in accordance with **articles 9.2**, **10**, **14 and 49 of the Spanish Constitution** and the International Convention on the Rights of Persons with Disabilities and the international treaties and agreements ratified by Spain, in accordance with the provisions of **Royal Legislative Decree 1/2013**, **of 29 November**.

Informative clause for the processing of personal data

Responsible: Institut de Recerca Biomèdica de Lleida Fundació Dr. Pifarré

Purpose: Management of job offers.

Legitimation: The legal basis of the treatment is the completion of a selection process to fill a position.

Recipients: The data will not be transferred to third parties, except in the legal obligations set by law. Rights: Access, rectification and deletion of data, as well as other rights, as explained in the additional information.

Additional information: Additional and detailed information on Data Protection can be found our website http://www.irblleida.org/en/legal-notice/

IRBLIeida is committed to the principles of merit-based recruitment and transparency (OTM-R) in accordance with the HRS4R seal requirements.

ANNEX I: SELECTION COMMITTEE

PRESIDENT

- > IRBLleida Scientific director
 - o Dr. Diego Arango

CHAIRS

- > Researcher at IRBLleida
 - o Dr. Robert Montal

SECRETARY

- > IRBLleida HR and procurement manager
 - o Ms. Elena Moscatel

ANNEX III: SCALE OF MERITS

a) Academic curriculum and complementary training - 40 points.

Valued:

Hold a Master's degree.	25 points

➤ Level C1 English. 15 points

b) Certified professional experience. 30 points

	Have previou	s experience	in a	translational	cancer research	laboratory	10 poir	nts
_	TIGVE PICVIOL	3 CAPCITCITO	- III U	ti di isid tioi idi	carreer rescarer	idbolatory	10 0011	100

Research stays in international laboratories.10 points

➤ Master laboratory techniques such as Western Blot, qRT-*PCR, cell culture, 5 points proliferation assays, etc.

Mastering genomic data analysis using bioinformatics techniques.
5 points

c) Competence test or interview – 30 points
