

JOB OFFER

Lleida Biomedical Research Institute is recruiting a:

- Psychologist -

The Institute

The IRBLleida aims to promote, develop, transfer, manage and disseminate research excellence, scientific and technological knowledge, teaching and training in the field of life sciences and health. To this end, it promotes relations and the exchange of knowledge between the research staff and research groups belonging to the various centres and entities in the biomedical field, which operate mainly in the Lleida area; it promotes collaboration with other institutions and entities, prioritising the implementation of joint projects; it raises funds to finance research activities of excellence of interest to the aforementioned centres and devices; and it manages the research resources entrusted to it by the various institutions and entities that form part of it. Within the territorial environment, it collaborates closely with:

- The [University of Lleida](#) (UdL) includes researchers from the Faculties of Medicine and Nursing and Physiotherapy.
- The Catalan [Healthcare system](#) includes healthcare staff from:
 - [Catalan Health Institute \(ICS\)](#): [Arnau de Vilanova University Hospital](#) (HUAV), [the Lleida Primary Care and Community](#) and [Primary Care in the Alt Pirineu-Aran Health Region](#)
 - [Gestió de Serveis Sanitaris](#) (GSS): [Santa Maria University Hospital](#) (HUSM), [Pallars Regional Hospital](#) and [Mental Health](#), among others.

The IRBLleida is a [CERCA](#) institute with its own legal status: Fundació Institució dels Centres de Recerca de Catalunya (I-CERCA) de Catalunya, which is organised according to a model of good governance and operation that ensures efficiency, management flexibility, recruitment and promotion of talent, strategic planning and executive capacity. It is also a Health Research Institute (IIS) accredited by the [Carlos III Health Institute](#) and the Government of the Generalitat, as established by Law 16/2003, of 28 May, on the cohesion and quality of the national health system.

In December 2014, the Lleida Biomedical Research Institute's received the '[HR Excellence in Research](#)' logo from the European Commission. This is a recognition of the Institute's commitment to developing an HR Strategy for Researchers, designed to bring the practices and procedures in line with the principles of the [European Charter for Researchers](#) and the [Code of Conduct](#) for the Recruitment of Researchers (Charter and Code).

Please, [check out our Recruitment Policy](#)

Professional profile:

- Senior Research Technician - Junior Unit Manager.

Requirements (applications that do not comply with this point will be excluded):

- Degree in psychology.
- General health psychologist or equivalent qualification.

Context and tasks to be developed:

The research group "Neuroimmunology" requires the incorporation of a psychologist to perform the functions of head of the research line of multiple sclerosis (MS). In this context, the selected person will assume the following tasks:

- Management and coordination of research projects.
- Management and coordination of patients participating in clinical trials.
- Scheduling of visits through SAP.
- Neuropsychological evaluation in patients with ME.
- Design, evaluation and publication of observational and clinical research studies.

Would be an asset:

- Expertise in Neuropsychology endorsed by the COPC and the COP.
- Proven experience in the coordination and administrative management of clinical trials of more than 5 years and research projects.
- Experience in neuropsychological assessment and research in MS patients of more than 5 years (familiar with pots and batteries and NPS assessment in MS).
- Experience as a researcher in MS projects of more than 5 years.
- Publications in indexed journals in MS.
- Experience with PROMS.
- Advance level of English (C1) or higher by EOI or official body.

The Offer – Working Conditions

- Type of contract: Indefinite contract for scientific-technical activities with a 6-month probationary period.
- Planned start date: Immediate.
- Working day: Full 37.5 hours per week.

- Remuneration: 30.000 euros gross per year.

We provide a highly stimulating environment with state-of-the-art infrastructures. To check out our training and development portfolio, please visit our website in the [training section](#).

We offer and promote a diverse and inclusive environment and welcomes applicants regardless of age, disability, gender, nationality, race, religion or sexual orientation.

The IRBLeida is committed to reconcile a work and family life of its employees and are offering the possibility to benefit from flexible working hours.

Documents and application deadline:

All applications must include:

- A motivation letter
- Full curriculum vitae with contact details and national identity card number.
- Deadline: Please submit your application by July 11, 2022. Latest time for the submission of applications: 14:00 h - Europe/Brussels
