

## JOB OFFER

Lleida Biomedical Research Institute is recruiting a:

- **Technologist/a for Transfer and Innovation Unit** -

The selective process is announced for the coverage of **1 position with code 100006TG9** in the INSTITUTO DE INVESTIGACIÓN BIOMÉDICA DE LLEIDA (IRB Lleida) to support research within the InvestiGo. **Mechanism of Recovery and Resilience, with file code 2022 INV-1 00006, financed by the European Union, Next Generation EU**, and to participate in the activities of the Transfer and Innovation unit.

### The Institute

The IRB Lleida aims to promote, develop, transfer, manage and disseminate research excellence, scientific and technological knowledge, teaching and training in the field of life sciences and health. To this end, it promotes relations and the exchange of knowledge between the research staff and research groups belonging to the various centres and entities in the biomedical field, which operate mainly in the Lleida area; it promotes collaboration with other institutions and entities, prioritising the implementation of joint projects; it raises funds to finance research activities of excellence of interest to the aforementioned centres and devices; and it manages the research resources entrusted to it by the various institutions and entities that form part of it. Within the territorial environment, it collaborates closely with:

- The [University of Lleida](#) (UdL) includes researchers from the Faculties of Medicine and Nursing and Physiotherapy.
- The Catalan [Healthcare system](#) includes healthcare staff from:
  - [Catalan Health Institute \(ICS\)](#): [Arnau de Vilanova University Hospital](#) (HUAV), [the Lleida Primary Care and Community](#) and [Primary Care in the Alt Pirineu-Aran Health Region](#)
  - [Gestió de Serveis Sanitaris](#) (GSS): [Santa María University Hospital](#) (HUSM), [Pallars Regional Hospital](#) and [Mental Health](#), among others.

The IRB Lleida is a [CERCA](#) institute with its own legal status: Fundació Institució dels Centres de Recerca de Catalunya (I-CERCA) de Catalunya, which is organised according to a model of good governance and operation that ensures efficiency, management flexibility, recruitment and promotion of talent, strategic

planning and executive capacity. It is also a Health Research Institute (IIS) accredited by the [Carlos III Health Institute](#) and the Government of the Generalitat, as established by Law 16/2003, of 28 May, on the cohesion and quality of the national health system.

In December 2014, the Lleida Biomedical Research Institute's received the '[HR Excellence in Research](#)' logo from the European Commission. This is a recognition of the Institute's commitment to developing an HR Strategy for Researchers, designed to bring the practices and procedures in line with the principles of the [European Charter for Researchers](#) and the [Code of Conduct](#) for the Recruitment of Researchers (Charter and Code).

Please, [check out our Recruitment Policy](#)

**Professional profile:**

- Technician.

**Requirements (applications that do not comply with this point will be excluded):**

- Graduate in Biomedicine, Biotechnology, Nursing or related disciplines.
- Be 16 years of age or older and under 30 years of age.
- Only unemployed people registered as job seekers with the public employment service of Catalonia may be hired.
- Young people who have held any type of research position in the same entity, company or group of companies within the immediately preceding 6 months may not be hired.

These requirements must be met at the beginning of participation in the program.

**Context and tasks to be developed:**

The successful candidate will carry out work to identify intellectual activity arising from the institute's projects. Search for calls for innovation and transfer projects, identification of groups capable of preparing them and collaboration in the preparation of proposals. Dissemination and training activities to promote innovative culture in the centre. Create a portfolio of ideas, update the patent portfolio, and hold regular

meetings with the research groups. Collaborate in the drafting of the innovation sections of research projects when necessary. He/she will draw up the innovation and transfer indicators.

This recruitment will be carried out with funding from the "Investigo Programme", for the recruitment of young people seeking work in the implementation of research and innovation initiatives, within the framework of the Recovery, Transformation and Resilience Plan, **financed by the European Union - NextGenerationUE** and constitutes an action included in Investment 1, "Youth Employment", included in Component 23 "New public policies for a dynamic, resilient and inclusive labour market" of the Recovery, Transformation and Resilience Plan, approved by the Agreement of the Council of Ministers of 27 April 2021, and by the Council Implementing Decision on the approval of the evaluation of the Spanish Recovery and Resilience Plan (Council Implementing Decision-CID) of 13 July 2021.

#### **Desirable but not required/ Nice to have**

- Average academic record over 10pts
- Master's degree in transfer and innovation
- PhD in biomedical or related sciences.
- Experience in transfer and innovation management in research centres.
- Experience in transfer and innovation management in non-research centres (private companies, non-research public bodies, etc.).
- Experience in biomedical research.
- Innovation and Transfer courses of more than 20h.
- Innovation and Transfer courses of between 10 and 20h.
- Innovation and Transfer courses of less than 10h.
- Ability to work in a team.
- Be resolute and constant.
- Have initiative.
- Ability to learn and willingness to train.

#### **The Offer – Working Conditions**

- Type of contract: Temporary.

- Scheduled start date: The contract must start at least one month after the end of the selection procedure and no later than 31 December 2022.
- Duration: 24 months.
- Working hours: Full time of 37.5 hours per week.
- Remuneration: 24.364,92 euros gross per year.

We provide a highly stimulating environment with state-of-the-art infrastructures. To check out our training and development portfolio, please visit our website in the [training section](#).

We offer and promote a diverse and inclusive environment and welcomes applicants regardless of age, disability, gender, nationality, race, religion or sexual orientation.

The IRBLleida is committed to reconcile a work and family life of its employees and are offering the possibility to benefit from flexible working hours. In addition, as a result of different company agreements, the following improvements are recognized:

- Paid leave to go to the doctor for personal health reasons.
- Paid leave to accompany a first-degree relative under 18 years of age, over 70 years of age or with first-degree disability to the doctor.
- Holidays that coincide with Saturday or Sunday are moved to the Monday immediately following.
- A special 6-hour working day is established on Holy Thursday, April 23, June 23, December 24, December 31 and January 5.

### CHAIRS

- Deputy director
  - Dr. Joan Sayós
  
- Head of Projects and Innovation
  - Dr. Serafí Cambray

### SECRETARY

- IRBLleida HR manager
  - Mrs. Elena Moscatel Mendelsohn

## ANNEX II: SCALE OF MERITS

a) Academic curriculum and complementary training - 40 points.

Valued:

- Average academic record over 10pts 10 points
- Master's degree in transfer and innovation 15 points
- PhD in biomedical or related sciences 15 points

b) Certified professional experience - 40 points

- Experience in transfer and innovation management in research centres - 0.25 points for each month, maximum of 12 points. Up to 12 points
- Experience in transfer and innovation management in non-research centres (private company, non-research public bodies, etc.) - 0.125 points for each month, maximum of 6 points. Up to 6 points
- Experience in biomedical research - 0.125 points for each month, maximum of 4 points. Up to 4 points
- Innovation and Transfer courses of more than 20h, 3 points per course, maximum 9 points. Up to 9 points
- Innovation and Transfer courses of between 10 and 20h, 2 points per course, maximum 6 points.. Up to 6 points
- Innovation and Transfer courses of less than 10h, 1 point per course, maximum 3 points. Up to 3 points

c) Competence test or interview – 20 points

**The interview will assess the aspects subject to value judgement.**

The evaluation of curricula vitae and candidates must be carried out through the use of **blind curricula vitae**, which guarantees the principle of non-discrimination for any reason.

The anonymous or blind curriculum vitae suppresses most of the personal data and references in order to guarantee the principles of equality and non-discrimination, and at the same time focus on the central aspects, which must be none other than the adequacy between the selective process and the functions or tasks to be performed in the specific job offered, thus dispelling any doubt of possible discrimination and guaranteeing the purity and transparency of the process.

The personal data and references proposed to be deleted in the pre-presential phase (prior to the interview) in which the candidates are selected, are the following:

- Name and surname of the person
- NATIONALITY
- Nationality
- Photograph
- Address and place of residence
- Age
- Gender
- Center of issuance of the qualifications

This requirement not to provide this information is mandatory for candidates.

Once the candidates have been selected for the interview, they will be required to submit the necessary personal references and to provide proof of all data at the end of the selection process.

Applicants responsibly declare with their application that the information they provide is true. In the event that it is detected that these data are not true, the applicants will be excluded from the selection process, without prejudice to other responsibilities that may arise.

## Informative clause of personal data processing.

---

**Responsible:** Biomedical Research Institute of Lleida Dr. Pifarré Foundation (IRB Lleida).

**Purpose:** Management of job offers.

**Legitimation:** The legal basis of the treatment is the realization of a selection process to fill a job vacancy.

**Addressees:** The data will not be transferred to third parties, except in the legal obligations marked by law.

**Rights:** Access, rectify and delete data, as well as other rights, as explained in the additional information.

**Additional information:** You can consult additional and detailed information on Data Protection on our website <http://www.irbllleida.org/en/legal-notice/>.

The data provided by applicants will be incorporated into the processing system owned by the IRB Lleida with the aim of managing and resolving the selection process, and will be treated in a lawful, loyal, transparent, adequate, relevant, limited, accurate and updated, in compliance with the provisions of Regulation (EU) 2016/679 of the European Parliament and the Organic Law 3/2018, of December 5 (LOPDGDD). The legal basis for the processing of the data is the fulfillment of a legal obligation by the data controller reinforced with the consent of the data subject.

These data must be kept for the period of time strictly necessary to comply with the aforementioned purpose, respecting in any case that determined by the present regulatory bases of the call and the applicable archiving regulations.

The IRB Lleida has to communicate the data of the beneficiaries of the contracts to the Agency for the Management of University and Research Grants so that it can exercise its power of management control as an entity attached to this Department.

Certain data may also be communicated to third parties in the public or private sphere, either because the intervention of these entities in the course of the aid management process may be necessary because it is correctly resolved, or because it is provided for in a regulation with the rank of law.

As long as the interested party does not communicate the contrary, it will be understood that its data have not been modified and that it undertakes to notify the IRB Lleida of any variation.

Applicants and contracted persons may exercise their rights of access, rectification, limitation of processing, suppression, opposition to the processing of their data or exercise their right to portability by writing to IRBLleida (Avda. Rovira Roure, 80, 25198 Lleida), to the e-mail address [protecciodedades@irbllleida.cat](mailto:protecciodedades@irbllleida.cat) or to the IRBLleida's Data Protection Delegate, [dpd@ticsalutsocial.cat](mailto:dpd@ticsalutsocial.cat). It is necessary to attach a photocopy of the DNI or sign the e-mail with a recognized electronic signature. In case of disagreement with the processing, you also have the right to file a complaint with the Catalan Data Protection Authority.
