<b>Category</b>	Postdoctoral Researcher (Postdoctoral Researcher-R2.1)
<b>Remuneration</b>	€27,592.70 gross/year

**The Institute**

The Institute for Biomedical Research of Lleida, Dr. Pifarré Foundation (IRBLleida) was created with the aim of creating synergies between basic, clinical and epidemiological research, making biomedical research a key driver to improve current clinical practice. IRBLleida covers a chain of translational research, from basic research, aimed at understanding the physiological and pathological mechanisms of the human body, to research that studies the behaviour of diseases in large population groups.

IRBLleida was founded in 2004 through a collaboration agreement between the University of Lleida (UdL) and the Catalan health system. IRBLleida is part of research groups from the

Faculties of Medicine and Nursing and Physiotherapy of the FGSHCSP. On the other hand, we incorporate research groups of:

1. The Catalan Institute of Health ([ICS](#)) both in the hospital setting (Arnau de Vilanova University Hospital-HUAV) and [in primary care in Lleida](#) and the [High Pyrenees-Aran Health Region](#).
2. The healthcare provider [Healthcare Management \(GSS; Santa María University Hospital-HUSM, El Pallars Regional Hospital](#) and [Mental Health](#), among others).

IRBLleida has been a CERCA institute since 2013, and therefore it is organised according to a model of good governance and operation that guarantees efficiency, flexibility in management, recruitment and promotion of talent, strategic planning and executive capacity.

In addition, it is one of the 34 Spanish Health Research Institutes ([IIS](#)) recognised by [the Carlos III Health Institute](#) and the Government of the Generalitat, as established by Law 16/2003, of 28 May, on the cohesion and quality of the national health system.

In December 2014, the Institute for Biomedical Research of Lleida received the '[HR Excellence in Research](#)' recognition from the European Commission. This is a recognition of the Institute's commitment to developing a human resources strategy for researchers, designed to align practices and procedures with the principles of the [European Charter for Researchers](#) and the [Code of Conduct](#) for the recruitment of researchers (Charter and Code).

Please see our [recruitment policy](#).

## Professional profile of the person hired

Postdoctoral researcher with training in health care (physiotherapy field)

## Requirements (those candidatures that do not meet this point will be excluded)

- Degree in physiotherapy or equivalent
- PhD degree

These requirements must be met at the beginning of the contract.

## Tasks to be carried out

The selected person will join the project funded by the European Commission "DistriMuSe: DISTRIBUTED MULTI-SENSOR OPGS FOR HUMAN SAFETY AND HEALTH" and will join the Health Care Research Group (GRECS) within the research line Chronicity and healthy ageing.

*"The contract is part of the action PCI2024-153505, financed by the Ministry of Science, Innovation and Universities, the Agency and, where appropriate, the European Union (Project PCI2024-153505 financed by MCIU/AEI /10.13039/501100011033 / EU), with PCI2024-153505 being the reference that appears in the concession resolution; MCIU, the acronym for the Ministry of Science, Innovation and Universities; AEI, the acronym for the State Research Agency; 10.13039/501100011033 the DOI (Digital Object Identifier) of the Agency; and EU the acronym for the European Union."*

• Previous experience in leading health promotion actions	10 points
<b>Competency test or interview</b>	<b>20 points</b>
• Criteria subject to value judgment will be assessed according to the interview conducted	20 points
<b>Maximum score</b>	<b>100 points</b>

**Applications that do not exceed 50% of the maximum score will be rejected**

## Data protection information clause

### Data controller

Identity: **INSTITUTE OF BIOMEDICAL RESEARCH OF LLEIDA**

CIF: G25314394

Postal address: Av. Alcalde Rovira Roure nº80, 25198, Lleida

Email: [protecciodedades@irbllleida.cat](mailto:protecciodedades@irbllleida.cat)

### Purpose of data processing and storage

At **THE INSTITUTE FOR BIOMEDICAL RESEARCH OF LLEIDA** (hereinafter referred to as **IRBLLLEIDA**) we process the information that you provide us as a data subject, in order to manage the processing of your curriculum and candidacy.

The data obtained will be kept for a period of up to 12 months, to cover future applications if they are not updated before or until there is opposition to their processing by the interested party.

### Legitimacy for data processing

The legal basis for the processing of your data is the consent of the interested party when contacting **THE INSTITUTE FOR BIOMEDICAL RESEARCH OF LLEIDA**.

### Recipients of your data

Your data will be communicated to third parties and collaborators related to the organization. Apart from these entities, your data will not be communicated to third parties.

### Rights of data subjects

The owners of the data processed by **IRBLLLEIDA** have the right at any time to access their data, rectify them, oppose their processing or delete them if they believe that they are no longer necessary for the purposes for which they were collected. In addition, if you wish, you may request the portability of your data and limitation of the processing of the same. In the latter case, we will only keep them for the exercise or defence of claims. You may also revoke the consent given at any time.

To exercise these rights, you can contact **IRBLLLEIDA** by email [protecciodedades@irbllleida.cat](mailto:protecciodedades@irbllleida.cat). Likewise, if you consider that your rights have been violated, you may file a complaint with the Catalan Data Protection Authority.
