Purpose of data processing and storage

AT THE INSTITUTE FOR BIOMEDICAL RESEARCH OF LLEIDA (hereinafter referred to as **IRBLLEIDA**) we process the information you provide us as a data subject, in order to:

- a) To manage their candidacy and participation in the corresponding selection process, including the reception and assessment of the documentation submitted, the carrying out of tests or interviews, communication with the candidate and the resolution of the process.
- b) To verify compliance with the participation requirements and to assess the merits, experience, training and suitability of the candidate for the job offered.
- c) Manage, if necessary, the formalisation of the employment relationship with the selected person.
- d) To attend to possible claims, challenges or responsibilities arising from the selection process.

Legal basis for processing

The legal basis for the processing necessary to manage the application and participation in the selection process is the application, at the request of the data subject, of pre-contractual measures, in accordance with Article 6.1.b of Regulation (EU) 2016/679, General Data Protection. Where the processing is necessary to comply with legal obligations applicable to IRBLleida, the legal basis shall be compliance with a legal obligation, in accordance with Article 6.1.c of Regulation (EU) 2016/679.

The retention of data to participate in future selection processes will be based on the express consent of the interested party, in accordance with Article 6.1.a of Regulation (EU) 2016/679. The candidate may withdraw this consent at any time, without affecting the lawfulness of the processing carried out previously.

Data subject to processing

Identification and contact data, academic and professional data, information contained in the CV, cover letter and documentation accrediting the requirements and merits, as well as the data generated during the tests, interviews and assessments of the selection process, may be

processed.

The candidate must only provide the data that is adequate, relevant and necessary to participate in the selection process, and must refrain from including particularly sensitive information that is not necessary.

Retention period

Personal data will be kept for the time necessary to manage and resolve the selection process.

Once the process has been completed, the data will be kept duly blocked for the periods necessary to deal with possible claims, challenges or legal responsibilities. After these periods, the data will be deleted.

When the candidate has expressly authorised the retention of their data for future selection processes, they may be kept for a maximum period of twelve months from the end of the process. After this period, the data will be deleted, unless the interested party renews their consent.

Recipients of your data

The data may be accessible by the members of the Selection Committee and by the IRBLeida staff who must intervene in the management of the process, only to the extent necessary to exercise their functions.

Suppliers who provide services in IRBLeida, such as management services, advice, IT support, data hosting or management of selection platforms, may also have access to the data, when they act as data processors and in accordance with the instructions of IRBLeida.

The data may be communicated to public administrations, judicial bodies or other bodies when there is a legal obligation or when they are required in the legitimate exercise of their powers.

No communication of data to third parties other than those indicated is foreseen, unless they are necessary to comply with a legal obligation.

International transfers

There are no plans to carry out international transfers of personal data outside the European Economic Area.

In the event that it is necessary to use providers that involve an international transfer of data, this will be carried out with the guarantees required by Regulation (EU) 2016/679 and the interested party will be informed where appropriate.

Automated decisions

Decisions will not be made based solely on the automated processing of personal data that produce legal effects or significantly affect the candidate.

Mandatory nature of data

The data identified as mandatory are necessary to manage the application and verify compliance with the requirements of the selection process.

Refusal to provide this data or the submission of incomplete documentation may make it impossible to participate in the process or to properly assess the application.

Authorization to retain data for future selection processes is voluntary. Refusal to give this consent will not affect participation in the current call.

Rights of interested persons

The candidate may exercise the following rights:

- access your personal data;
- request their rectification when they are inaccurate or incomplete;
- request its deletion when the data is no longer needed;
- request the restriction of processing in the cases provided for by law;
- object to processing where appropriate;
- request data portability when the processing is based on consent or a contractual relationship and is done by automated means;
- withdraw the consent given to keep the data for future selection processes.

These rights can be exercised by means of a request addressed to IRBLleida, at Avenida Alcalde Rovira Roure, no. 80, 25198 Lleida, or by email protecciodedades@irblleida.cat.

The application must indicate the right to be exercised and must include the necessary information to prove the identity of the applicant.

Complaint to the supervisory authority

If the data subject considers that the processing of their personal data violates data protection regulations, they may file a complaint with the Catalan Data Protection Authority, without prejudice to any other administrative or judicial appeal that they consider appropriate.

Data accuracy

The candidate guarantees that the data and documentation provided are true, accurate, complete and up-to-date, and undertakes to communicate any modification that occurs during the selection process.

When the candidate provides data of third parties, they must guarantee that they have sufficient legitimacy to communicate them and that the affected persons have been informed of the processing of their data.
