Resolution of the call with reference 049-26 Postdoctoral researcher for the Translational Research Group in Respiratory Medicine

The Biomedical Research Institute of Lleida, Dr. Pifarré Foundation (IRBLleida) announced a postdoctoral researcher job offer for the Translational Research Group in Respiratory Medicine.

Meeting on NOVEMBER 3, 2026 and after assessing all the CVs, it is agreed that none of the candidacies presented has obtained the minimum score required in the terms and conditions of the call.

Consequently, it is resolved to declare the place offered VOID.

Likewise, we want to thank all the candidates who have sent us their CVs and we hope they will participate in future calls.

In Lleida, 3 NOVEMBER 2026
