15.30–16.45 Presentation of 5 outstanding Communications

16.45–17.30 Dissemination activity

17.30–17.45 Scientific sessions

IRBLleida Intramural Research Program (IREP) 2025

Intramural Collaborative Research projects

- PIRS 2025: Collaborative Research Projects to Promote Health Research
- ProBiGene 2025: joint projects IRBLleida and Centre for Genomic Regulation (CRG)

Innovation projects

- ISP 2025: Innovation Seed Projects in Biomedicine

Intramural Talent Support

- RO researchers: Master students fellowships
- RO researchers: Research initiation fellowships
- R1 researchers: Fourth year PhD fellowships
- R1 researchers: four-year PhD fellowships
- R2 researchers: postdoctoral fellowships

International Mobility

- R0 International mobility
- R2 International mobility
- R3–R4 International mobility

Support to groups

- Support to clinical associated groups

IRBLleida 5th Annual Symposium awards

Outstanding publications 2025 awards

Outstanding oral communications 2025 awards

Outstanding poster communications 2025 awards

17.45–17.50 Closing
