

JOB OFFER

Annex 3

Institut de Recerca Biomèdica de Lleida seeks a:

Senior researcher

Requirements

Education

PhD in biological or biomedical sciences.

Essential knowledge and Professional Experience

- Excellent research record as independent group leader demonstrated by a track record of relevant extramural/competitive funding.
- Relevant international mobility in prestigious Research Centers (>4 years).
- Relevant number of articles published in indexed research journals (>10, being the corresponding author in at least 20% of them).
- Expertise in the study of the genetic basis of disease mechanisms using in vivo animal models.

Competences

- Excellent communication, leadership, and interpersonal skills.
- Good command of English (written and oral).
- Critical and creative thinking.
- Ability to work independently and in a team.

Desirable

- Capacity to establish new in vivo experimental models not currently existing at IRBLleida.
- Expertise in the use of mutant and established transgenic animal lines.
- Expertise in teaching.
- Relevant HHRR competitive funding records (Ramon y Cajal, Miguel Servet, etc.).

Duties

The successful candidate will be in charge of implementing the use of a new animal model in the IRBLleida to study basic disease mechanisms.

Working conditions

Employed in compliance with Spanish legislation and regulations under a full-time contract. Employees receive the benefits of the Spanish Social Security system covering sickness, maternity/paternity leaves and injuries at work.

Contract period: 1 year (6 months trial period).

Salary commensurate with experience and qualifications.

Application Procedure

Selection process

- Pre-selection will be based on CV, motivation letter, experience and interest of the experimental model.
- Short-listed candidates will be interviewed.
- The successful candidate will be informed in written.

Diversity and Equal Opportunity Employment

IRBLLleida is an equal opportunity employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, religion, sex, sexual orientation, gender identity, national origin, age, disability or any other basis protected by applicable state or local law.

La contractació s'efectuarà segons el previst en l'art. 15 del Reial Decret Legislatiu 1/1995, de 24 de març, pel qual s'aprova el text de la Llei de l'Estatut dels Treballadors, d'acord amb el que disposa l'art. 2 del Reial Decret 2720/98, de 18 de desembre (B.O.E. de 8 de gener de 1999), Llei 12/2001, de 9 de juliol (B.O.E. de 10 de juliol) i disposicions concordants.

Es té en compte el principi d'igualtat entre homes i dones, d'acord amb la Llei Orgànica 3/2007, de 22 de març, per a la igualtat efectiva de dones i homes.

Es té en compte el dret a la igualtat d'oportunitats i de tracte, així com l'exercici real i efectiu de drets per part de les persones amb discapacitat en igualtat de condicions respecte de la resta de ciutadans i ciutadanes, a través de la promoció de l'autonomia personal, de l'accessibilitat universal, de l'accés als llocs de treball, de la inclusió en la comunitat i la vida independent i de la eradicació de qualsevol forma de discriminació, conforme als articles 9.2, 10, 14 i 49 de la Constitució Espanyola i a la Convenció Internacional sobre els Drets de les Persones amb discapacitat i els tractats i acords internacionals ratificats per Espanya, d'acord amb allò previst en el Reial Decret Legislatiu 1/2013, de 29 de novembre.
